JOINT MOTION FOR FURTHER SUSPENSION OF PROCEEDINGS

The parties, through their undersigned counsel, jointly request that the Board suspend proceedings in the referenced proceedings for a further ninety (90) days. In support of this request, the parties advise as follows:

The parties have been involved in good faith settlement negotiations for many months. After lengthy discussions addressing an array of issues, a draft settlement agreement was prepared and circulated between the parties and their respective counsel. It was believed the proposed agreement would be finalized and executed prior to the conclusion of the last suspension period approved by the Board. The Board is advised, however, that several issues not previously addressed were raised late in the settlement process. The parties are now working through these additional issues in the hopes that a settlement agreement will be finalized in the near future.

The parties regret the need to request that the Board grant a further extension of the suspension period. The parties nevertheless cannot finalize any agreement until the outstanding issues are resolved. The parties believe that they have established the

requisite good cause for seeking this extension and respectfully request that the Board grant the relief requested.

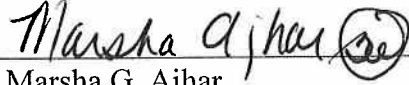

Respectfully submitted,

EDEN FOODS, INC.
